

EASTERN MICHIGAN UNIVERSITY (EMU) DRIVING DIRECTIONS
IRONWORKER INSTRUCTOR PROGRAM

These driving directions are for **those staying at EMU** (CWI/CWB students, program staff, and instructors teaching courses during the annual program).

There will **not** be buses running between the Detroit Metropolitan Airport and Eastern Michigan University, to the opening session at the Marriott Hotel on Sunday evening, or Washtenaw Community College (WCC). You will have to drive, carpool or arrange transportation to registration, the opening ceremony, all events, and WCC classes. CWI/CWB students are strongly encouraged to make return plans to the airport early in the week as calling a taxi on Saturday morning usually does not work out well as they often have difficulty finding the building on campus.

When the CWI/CWB students check into their dorm rooms they will be given information about where their course will be held on the EMU campus. Registration materials will either be given to them when they check in or will be brought to the CWI/CWB classroom. Those with cars will need to request an EMU parking pass at check in.
